RECRUITMENT SOLUTIONS THAT WORK TODAY FOR YOUR TOMORROW

At iTAC Ltd. we have a passion for quality. From your entry level needs to your executive needs, we provide the quality candidates that will add value to an existing human resource portfolio.

iTAC provides complete recruitment solutions by sourcing and supplying qualified talent throughout Edmonton and Alberta. We are accredited to provide insurance licensing for Level 1 and 2 and have a 96% success rate.

iTAC understands that every company has different needs. Therefore, each recruitment project is treated on an individual basis, with the overall objective of adding value to your business.

Being privately owned allows us the ability to provide a level of personalized service which is unrivalled by many of our competitors.

We are efficient, friendly, honest, and above all, we will provide you with exactly what you need. We are committed to building quality client relationships.
